REQUEST FOR CORRECTED APPLIATION PUBLICATION

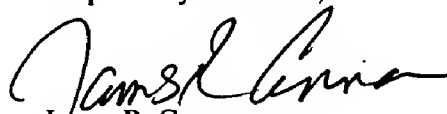

Sir:

In reviewing the Patent Application Publication (copy attached) for the above referenced application, Applicants noted errors that Applicants believe are material to the application. Specifically, Applicant notes that the inventors names incorrectly appear as Kazuki Karasawa, Nagano-ken (JP); and Kenya Ishii, Suwa-shi (JP) and that the Foreign Application Priority Data references Nov. 17, 2000 (JP) 2000-351394 and Sep. 10, 2000 (JP) 2001-274141. These errors were apparently made by the PTO (see attached copy of originally filed application papers).

Applicants respectfully request that the inventors be corrected to read **Gary Mitchell, Independence, VA and Gregory M. Webb, Independence, VA**, that the Foreign Application Priority date be deleted, and that a corrected Patent Application Publication be issued.

Applicants believe that there should be no fee for this correction.

Respectfully submitted,

James R. Cannon
